Dear Author,

Greetings from ICAICCIT-25.

On behalf of the ICAICCIT-25 organizing Committee, we are delighted to inform you that the submission of "Paper- 0390 use as "ICAICCIT_ 0390" Audio-Based Deepfake Detection Leveraging ECAPA-TDNN and TIMIT-TTS Corpus" has been accepted for presentation and further publication with IEEE at the ICAICCIT-25 subject to incorporate the reviewers and editors' comments in your final paper. All accepted papers will be submitted to IEEE for inclusion into conference proceedings to be published on IEEE Xplore Digital Library. Registration fee details are available @and fill the registration from using link: -

<https://forms.gle/AhzW7fyKa8uN3HAf6>

Payment to be made through NEFT / RTGS in Favor of "Manav Rachna International Institute of Research & Studies" payable at Faridabad.

Please keep the printed details of the fee receipt which will be submitted at the time of physical registration at the conference venue

You must incorporate following comments in your final paper submitted at the time of registration for consideration of publication with IEEE:

Reviewers Comments: (Accepted)

Here are some observations:

1. The Researcher has shown significant work.
2. Minimum references should be 20.
3. Comparative study with the existing system expected.
4. Novelty of work is missing. The comparative analysis with existing model are also missing
5. Needs proofreading for grammar and clarity.
6. Model details are missing .
7. Lacks details on real-time data collection and ethical handling.
8. Evaluation metrics should also be included.
9. The paper abstract must contain brief of background, objective and motivation towards problem statement with strength of work. Precise findings can be added to the abstract. justify the Novelty of research paper.
10. Strengthen discussion around limitations and future work
11. Language needs proofreading for grammatical accuracy.
12. References and Citations: Authors should add more relevant and recent references and citations to strengthen the paper. Must be in sequence.
13. All Equations in the paper need to be numbered and must be referred in paper also, Images are not referenced .

Research gaps should be highlighted. Future scope should be included

Results Section: Authors are advised to thoroughly interpret the results within the Results section of comparative analysis of study. •Language Usage: The use of "I" and "we" is discouraged in the paper. Instead, authors should use third-person language. Paper Formatting: The paper should be formatted according to the IEEE Guidelines, which can be accessed here:

<https://www.ieee.org/conferences/publishing/templates>

- Dataset Sources: The sources of the datasets should be clearly identified and properly cited in the paper.
 - Figures, Tables, and Equations: All figures, tables, and equations must be formatted according to IEEE Guidelines and appropriately cited in the text. Consistency is important; use either "Figure" or "Fig." uniformly throughout the paper.
- Grammar: There are numerous grammatical mistakes in the research paper. Authors are requested to thoroughly review and correct these errors throughout the paper.
- Paper Formatting: The paper should be formatted according to the IEEE Guidelines, which can be accessed here: <https://www.ieee.org/conferences/publishing/templates>
 - Figures have not been captioned correctly, please check the IEEE guidelines in IEEE template for the same.
 - Pls provide the implementation details along with the accuracy and loss curves, hardware software platform used to conduct experiments.
 - The paper should strictly follow IEEE format.
 - Check the font style and size ,
 - An overview of paper is desired to eradicate typo and grammatical error.

- The references don't seem to be in appropriate all the Equation are not numbered, Minimum 20 references should be included
- Length of paper must be limited to 6 pages

Editor Note:

1. All figures and equations in the paper must be clear. Equation and tables must be typed and should not be images.
2. Final camera ready copy must be strictly in IEEE format available on conference website <https://icaiccit-2025.vercel.app/registration>.
3. Transfer of E-copyright to IEEE and Presenting paper in conference is compulsory for publication of paper in IEEE.
4. If plagiarism is found at any stage in your accepted paper, the registration will be cancelled and paper will be rejected and the authors will be responsible for any consequences. Plagiarism must be less than 20% (checked through Turnitin including references and authors details also). However the author will be given fair and sufficient chance to reduce plagiarism.
5. Change in paper title, name of authors or affiliation of authors will not be allowed after registration of papers.
6. Violation of any of the above point may lead to rejection of your paper at any stage of publication.
7. Registration fee once paid will be non refundable.

If you have any query regarding registration process or face any problem in making online payment, you can contact to the following

Landline number: +91-129-4198268,

Dr. Tapas Kumar (Conference Chair) Mobile +91 9818339510

Dr. Poonam Tanwar (Conference Convener): Mobile: +91- 9910891864

Conference mail Id: <https://icaiccit-2025.vercel.app/registration>

Steps for Registration:

1. Pay Registration Fee in a week after receiving the acceptance notification.
2. Fill Registration Google Form (Screen shot of payment proof need to be uploaded)
3. Author must highlight the updated content as per reviewer comments in uploaded word document.

<https://forms.gle/AhzW7fyKa8uN3HAf6>

Author must use the same paper id while filling the registration form " ICAICCIT_0390
